

## University of Massachusetts Amherst Landlord Tenant Education

### Energy Efficiency Workshop for Students And Landlords

Monday, February 13, 2012, 5pm-7pm, 162-175 Campus Center  
Beverages and light refreshments provided.

Want to save money on your heating and electricity bills? Want to contribute to the health of the planet by cutting your fossil fuel use and living in a “greener,” more energy efficient home?

#### **Program Outline**

- Co-op Power’s mission and vision
- Insulating and weatherizing the building envelope.
- Materials and procedures for insulating walls, windows, doors, and more, with hands-on examples of insulating materials, thermal window inserts.
- Increasing the efficiency of heat and electricity management, consumption, and production, with hands-on examples of programmable thermostats, CFL and LED lighting, watt meters, etc.
- Specific help to get you started.

Presented by Co-op Power in collaboration with the Campus Sustainability Initiative, Residential Life Student Services, the Student Legal Services Office, and the Off Campus Student Center.

Co-op Power <http://www.cooppower.coop/> is a multi-racial, multi-class, community owned, co-operative that is working to build a sustainable and just energy future.
